

Early Childhood Educator - vacancy

Kensington Community Children's Co-operative | More jobs from Kensington Community Children's Co-operative

Kensington Community Children's Cooperative (KCCC) is licensed for 140 places and employs 50 passionate and skilled Educators. KCCC is committed to providing quality education and care. We offer a stimulating and supportive environment where our natural setting is an integral part of our program and we encourage and foster sustainable practices.

An exciting opportunity exists to work in this highly regarded Education and Care Service that has recently been assessed as **EXCEEDING in all of the seven areas of the National Quality Standards.**

Are you committed to the rights of children, strong relationships with families and the community? If you are passionate about children's education and care, where children grow, develop and learn in a stimulating and safe environment then this may be the organisation for you.

We currently have a full time position available for a qualified educator. We are seeking a creative and innovative educator who will support KCCC values, curriculum development, and will assist in the delivery of a high quality early childhood service.

KCCC offers remuneration according to the Professional Child Care Standards with favorable conditions, ongoing professional development as well as the opportunity to participate in the services international staff exchange program with KCCC's sister school in Denmark.

KCCC is a child-safe organisation. All employees are required to undergo a Working with Children Check and sign our Child Protection Policy and Code of Conduct.

We are seeking:

Early Childhood Educator

(Diploma or Certificate III qualification)

Full Time

Professional Childcare Standards EBA with above award rates

This is an exciting opportunity for an experienced educator to be part of the development of the outdoor and excursion program within the centre.

The successful applicant will demonstrate a high level of understanding to deliver an early childhood education program which complies with relevant regulations, quality standards and codes of practice. Be passionate about integrated service delivery and sustainable practices. Work closely with KCCC staff, other service providers and the community to maximize outcomes for children.
