PROCEDURES

GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer parents/guardians the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Providing reassurance to the family that they may stay with their child for as long as they choose during orientation and once the child commences
- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
 - they can leave their child initially for a shorter day, gradually increasing the length of time
 - they may call and speak to their child's educator(s) at an agreed time
 - the educators will keep them informed on how their child is settling in
 - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
 - send an email during the day to update the family on their child including a photo of the child (if the child has settled in) (*refer to the Information and Communication Technology Policy*). **Note:** For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
 - asking the family how they have settled in and if they have any questions or concerns.
- Refer to *Attachment 1* for the general enrolment procedures

BACKGROUND AND LEGISLATION

BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

Childcare services providing approved child care (*refer to Definitions*) must abide by the *Family Assistance Legislation Amendment (Jobs for Families Child Care Package) Act 2017* (*refer to Legislation and standards*). The Commonwealth Government supports working parents/guardians in making early childhood education and care more affordable and accessible through the Child Care Package (The Package). The Package includes the Child Care Subsidy (*refer to Definitions*) and Child Care Safety Net (*refer to Definitions*). Together, they enable parents/guardians to participate in the workforce by making early childhood education and care affordable and accessible.

The Child Care Subsidy helps by assisting families with their child care fees and provides greater assistance to low and middle-income families

The Child Care Safety Net provides families and services extra support if they are vulnerable and disadvantaged, or located in a regional or remote community. The Child Care Safety Net includes:

- The Additional Child Care Subsidy which provides extra payment on top of the Child Care Subsidy for families who need more help. There are five different payments:
 - For families who need help to support their children's safety and wellbeing
 - For grandparents who care for their grandchildren
 - For families experiencing significant financial stress
 - For parents transitioning from welfare to work
 - Community Child Care Fund
- The Community Child Care Fund which helps services stay open and available to children in disadvantaged, regional and remote communities.
- The Inclusion Support Program which provides support to Early Childhood Education and Care services to build their capacity and capability to include children with additional needs in mainstream services
- Subsidised Care for Low Income Families who earn \$69,390 or less a year can access 24 hours of subsidised care per child per fortnight without having to meet the activity test.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*). To meet the Child Care Subsidy immunisation requirements, children must be immunised according to the National Immunisation Program Schedule (*refer to Sources*) set out by the Australian Government Department of Health.

DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. approved provider, nominated supervisor, notifiable complaints, serious incidents, duty of care, etc. refer to section 5 of the *Education and Care Services National Law Act 2010* (Vic).

Australian Immunisation Register (AIR) Immunisation History Statement: The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. Parents/carers must provide a copy of their most recent AIR Immunisation History Statement, which shows that the child is up to date with their immunisations upon enrolment and when a child has received or been due to receive a vaccination while attending the service. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable). In order to confirm enrolment, the Immunisation History Statement must show the child is up to date with the vaccines they can have, medical contraindication and indicate the due date for the next vaccinations the child is able to receive in the future if applicable.

Authorised nominee: (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment record

Centrelink: The agency that delivers payments and services to individuals and parents/guardians on behalf of the Australian Government.

Child care software: software developed and provided by commercial providers to interact with the Australian Government's Child Care Subsidy System (information technology system) and to support other administrative and management activities for child care providers.

Child Care Safety Net: provides families and services extra support if they are vulnerable and disadvantaged, or located in a regional or remote community. Supporting children to access quality early childhood education and care services

Child Care Subsidy (CCS): A Commonwealth Government means tested subsidy to assist eligible parents/guardians with the cost of child care. Payments are paid directly to approved child care providers (*refer to Definitions*). Further information can be found at: www.dese.gov.au/child-care-package/child-care-subsidy

Children/families experiencing vulnerability and/or disadvantage (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to Child Protection; in statutory Out of Home Care; Aboriginal and/or Torres Strait Islander,

having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

Children with additional needs: Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

Complying Written Arrangement: a written arrangement between a child care provider and an individual to provide child care in return for fees. The arrangement includes certain required information.

Enrolment: An enrolment occurs when the provider has an arrangement with an individual or organisation to provide care to a child and the provider submits an enrolment notice in the Child Care Subsidy System. It is a requirement under Family Assistance Law for all children who attend child care (or have an arrangement for care) to have an enrolment notice regardless of their Child Care Subsidy eligibility status

Enrolment notice: The notice given by a provider through the Child Care Subsidy System that they have an arrangement with an individual or organisation to provide care to a child.

Enrolment record: the collection of documents which contains information on each child as required under the National Regulations (*Regulations 160, 161, 162*) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

Grace period: allows specific categories of children of parents/guardians experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (*refer to Definitions*) or when the statement is assessed as not being up to date. Services complete the grace period eligibility form with parents/guardians during enrolment and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (*refer to Definitions*) and to encourage parents/guardians to access immunisation services.

Inclusion Support Program: A program that assists child care services to include children with additional needs by providing tailored inclusion advice and support from contracted Inclusion Agencies as well as funding to address more challenging inclusion barriers.

ATTACHMENT 1. GENERAL ENROLMENT PROCEDURES

PRIORITY OF ACCESS

There are no legal requirements for filling vacancies in the long day care program. The approved provider can set their own rules for deciding who receives a place.

Approved providers are asked to (but are not legally obliged to) prioritise children who are:

- at risk of serious abuse or neglect
- a child of a sole parent who satisfies, or parents who both satisfy, the activity test through paid employment.

This meets the Australian Government's aims of helping parents/guardians who are most in need and supporting the safety and wellbeing of children at risk.

- When demand exceeds availability, KCCC will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. Other considerations may include date of application, siblings already enrolled at the service, local community zoning and family works, or studies close to the service.

ENROLMENT PROCEDURE

Enrolments will be taken throughout the year subject to availability. If there are no placements available, the child will be placed on a waiting list. Once a family has decided to commence at Kensington Community Children's Co-operative they will need to:

- Complete a Waitlist Application for Long Day Care online using MyWaitlist:

<https://mywaitlist.com.au/Account/SignUp?AccountID=19109&ReturnUrl=%2FWaitlist%2FApply%3FCentreID%3D19055&IsParent=True>

Note: Where this is not possible, please contact the Enrolment Officer at enrolmentofficer@kccc.org.au / (03) 9376 4565 who can provide assistance and support in completing the online application.

- All children for whom long day care is being applied for, must be entered individually against the family's MyWaitlist account and the following information must be provided:
 - child's name, address and details of any special needs
 - information about themselves and any other parents, carers or guardians
 - details of the people who can pick up the child
 - child's birth certificate or other identity documents
 - details of any parenting orders or legal matters to do with the care or safety of the child (*refer to Privacy and Confidentiality Policy*)
 - the child's medical health and AIR Immunisation History Statement status.
- To facilitate the inclusion of all children into the program, the enrolment process should clearly identify any additional or specific needs of the child (refer to Inclusion and Equity Policy).
- All enrolments must be accompanied by an enrolment fee in line with Kensington Community Children's Co-operative Fees Policy of \$25. This fee is to cover administrative costs associated with the processing of a child's enrolment application and is not refundable.
- Completed enrolment records are to be forwarded to the person responsible for the enrolment process at Kensington Community Children's Co-operative through Xplor or to enrolmentofficer@kccc.org.au.
- Access to completed enrolment records will be restricted to the person responsible for the enrolment process, the approved provider and/or nominated supervisor at the service, unless otherwise specified by the approved provider.
- Parent/guardians to create or access their Centrelink online account to lodge a Child Care Subsidy claim for each of their children (refer to Diagram 1).
- The service and parent/guardian to complete and sign a Complying Written Agreement (refer to Definitions), which includes:

- The names and contact details of the approved provider and the parent/guardians(s)
- the date the arrangement starts
- the name and date of birth of the child (or children) if care will be provided on a routine basis and if so
 - details about the days on which sessions of care will usually occur
 - the usual start and end times for these sessions of care
 - whether care will be on a casual or flexible basis (in addition to, or instead of, a routine basis)
- details of fees charged under the arrangement (providers can reference a fee schedule or information available on their website), which the parties understand may vary from time to time.
- additional information can be included to support the individual's understanding of their payment obligations.
- once the CWA is signed, it is then filed in the child's record

IMMUNISATION – NO JAB NO PLAY

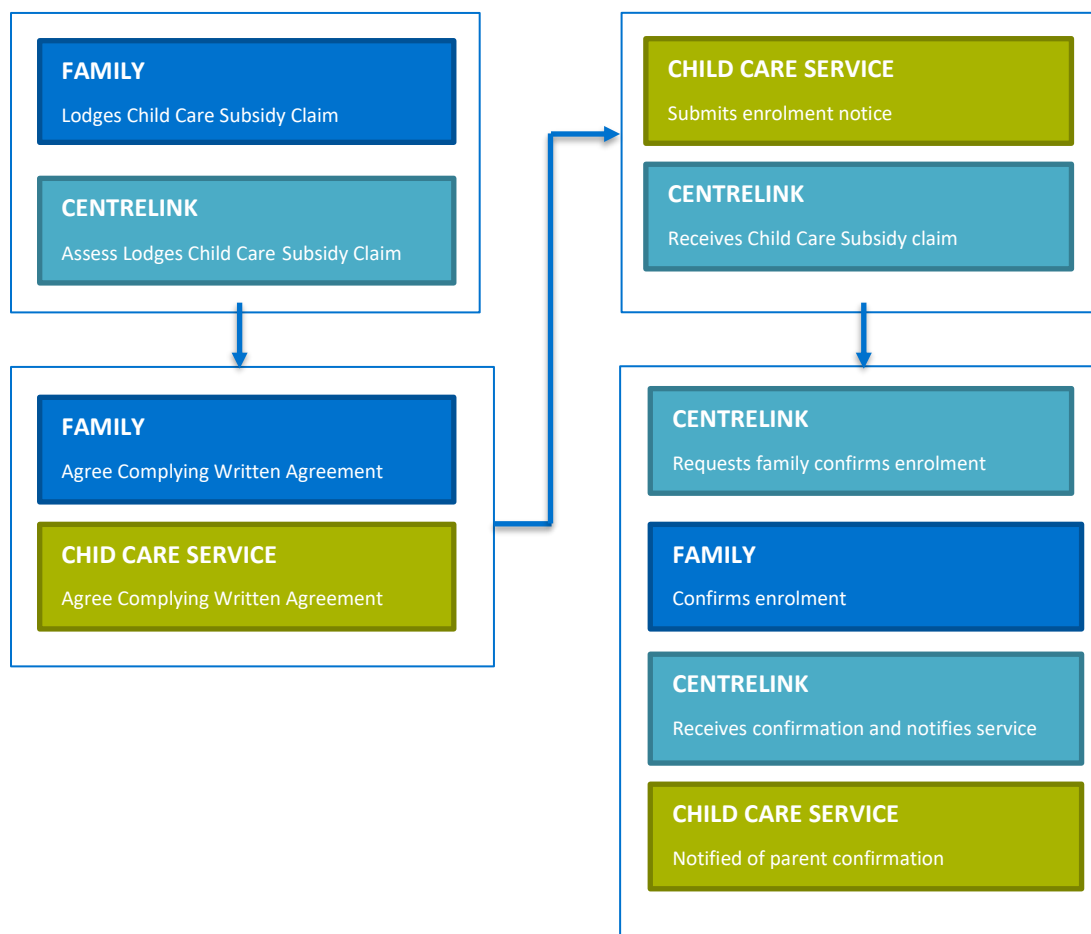

- Prior to the child/children commencing care the Australian Immunisation Register (AIR) Immunisation History Statement is assessed as outlined in the Immunisation enrolment toolkit for early childhood education and care services by the person responsible for the enrolment process on behalf of the approved provider.
- The “Key dates work form for immunisation and enrolment” in the Immunisation enrolment toolkit for early childhood education and care services is used to determine the date at which immunisations must be up to date. The toolkit also provides guidance on assessing immunisation documentation to determine if a child is up to date or qualifies for an exemption. The following documents and resources can be accessed from www2.health.vic.gov.au:
- The Immunisation enrolment toolkit for early childhood education and care services (search ‘Immunisation enrolment toolkit’)
- The Key dates work form for Immunisation and enrolment (search ‘Key Dates work form’)
- Hard copies of the immunisation resources (search ‘immunisation resources order form’)
- The acceptable outcomes of the assessment for offering a confirmed place are:
- That the next due vaccine for the child on the AIR Immunisation History Statement is within the acceptable timeframe for an enrolment, or;
- That the child has been assessed by Kensington Community Children’s Co-operative as being eligible for a 16-week grace period
- The person responsible for the enrolment process advises the parent/guardian in writing whether a confirmed place is offered, and the enrolment can proceed.
- Parents/guardians who do not have an up to date AIR Immunisation History Statement and whose child is not eligible for the grace period cannot be offered a place and are referred to Australian Childhood Immunisation Register or to an immunisation provider (refer to Attachment 3).

CHILD CARE SUBSIDY ENROLMENT PROCESS

Enrolling children is a requirement under Family Assistance Law for all children who attend child care (or have an arrangement for care) regardless of their parent’s or guardian’s eligibility for Child Care Subsidy.

- The person responsible for the enrolment must lodge an enrolment notice (through their child care software) in the Child Care Subsidy System to show they have made an arrangement with the parent/guardian and the child is enrolled (*refer to Diagram 1*).
- Once a person responsible for the enrolment has lodged an enrolment notice, they must report attendance for that child.
- After the person responsible for the enrolment submits an enrolment notice for a child, the parent/guardian will be notified and asked to check the main enrolment notice details. This will occur through their Centrelink online account. Where a parent/guardian cannot access myGov, they can confirm their enrolment over the phone with Centrelink or by visiting a Centrelink office (*refer to Diagram 1*).

ATTACHMENT 2. WAITLIST PROCEDURE AND APPLICATION PROCESS

New children

- The Centre will maintain a list of new applicants and their parents. From time to time, the Centre will contact the parents to ascertain if they are still interested in enrolling their child at the Centre.
- All parents on this list are encouraged to contact the Centre before October every year to ensure their contact details are correct (email, home address, home and/or mobile phone numbers) and confirm their request for care/kindergarten.
- All applicants are welcome to contact the Centre at any time to enquire about the status of their application. Indications of securing a place may be given but confirmation of specific places may not be given as this may be misleading when priority issues are considered.
- Before the end of October every year, parents of children currently enrolled at the Centre will be surveyed for their forthcoming year's requirements.
- These requirements will be assessed in accordance with the priority of access and members policy.
- Any remaining places will be filled from the waiting list in accordance with Commonwealths Priority of Access requirements.

Existing children

- It is expected that by the end of November, all relevant information for new and existing children will be received for the Centre to make offer assessments for the forthcoming year.
- Offers will be made to all successful applicants using the current contact details (email, home address, home and/or mobile phone numbers).
- A confirmation letter will be issued.
- Parents must accept (preferably in writing) within 24 hours to secure the offered place.
- For new Long Day Care or Integrated Kindergarten children, a holding fee of two weeks of the booked care is payable prior to commencing orientation sessions. On completion of these sessions, this deposit will be applied towards the child's fee structure.
- The Centre must be notified in writing if the parents of the child wish to withdraw from the Centre at the completion of the Orientation period. The holding deposit will then be forfeited to the Centre and the child will be placed on the bottom of the waiting list.
- Declined places will be offered to the next entry on the Waiting List in order of priority of access, until all places have been accepted.
- At management's discretion, the Centre will maintain a Waiting List segregated into Active and Non-Active sections.
- A child will be moved from the Active Waiting List and placed on the Non-Active Waiting List if either of the following circumstances occur:

Offer and Acceptance

- The parent advises the Centre in writing that their child is be taken off the list.
- No contact is made by the parent with the Centre for a period of more than 12 months AND/or the parent is contacted with no response within 14 days of contact.

The application Waiting List fee will be forfeited to the Centre.

Vacancies Arising Throughout the Year

- Before vacating long day care on a permanent basis, parents must give four weeks' written notice of their intention to leave, with this notice to be deemed final.
- On receipt of this notice, the Enrolment Officer will then identify if additional days are required by existing families within the room. This can be ascertained by checking the class list and the vacancy will be offered to the family listed first for that available day(s).
- After 2 days, if no existing families require that day, the offers will be made to external families.

Access to Waiting List Information

- The waiting list is confidential and is only accessible by the Enrolment Officer and Management staff.
- Any unauthorised disclosure of the Waiting List details or the unauthorised making of any commitments to parents on the Waiting List may lead to disciplinary action.
- Visit My Family Lounge.

[Insert date]

Dear [insert name]

Re: Enrolment at Kensington Community Children's Co-operative (KCCC) for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at KCCC in the [xxx] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

- is fully vaccinated for their age; or
- has been assessed by our service as being eligible for a 16 week grace period.

AIR Immunisation History Statement includes evidence that your child:

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by AIR History Statement. The new application would be considered in line with Kensington Community Children's Co-operative's *Enrolment and Orientation policy*.

Yours sincerely
